I think that's a great suggestion- staff level. Ex. 5 - Deliberative

I believe Bern's referring to the meeting between Elliott and Pam? Unless we invited Cecil and Matt to the monthly OCE-OSRE meeting, that would not be an effective substitute.

I had talked with Anne about checking in with Cecil, who never joined last time (and never got back to me either), on whether we should even continue the calls.

What we were proposing to get from the calls was: 1) updates for HQ, so we knew what was going on in the cases; 2) enabling Region 3 and 8 to talk directly to each other. So my recommendation would be to kick it down a level, make it staff level, making it optional for BCs maybe. Kelcey Land in 8 has been an interested participant and if we could get someone similar in Region 3, we'd be good to go.

I know Marjean is really wracking her brains, trying to get this meeting scheduled!

Karin --

This meeting conflicts with our all-hands. So we will be unable to attend at this time.

From my vantage point, I think we could safely cancel these meetings, but discuss Ex. 5 - Deliberative at our monthly OCE-OSRE meeting. But I am open to other suggestions, of course.

Let me know what you think.

- b

This conflicts with the SLPD All Hands meeting. Will you or someone attend or she we ask for a rescchedule?
